### **KEEP OUT OF REACH OF CHILDREN**

This product is not recommended for use by children, pregnant, and lactating women.

### **WARNING**

**Always keep the device away from children.**

- Don't open the vaping device and don't attempt to repair the device yourself. Disassembling the device may damage it or may cause injury to you.
- Do not cover the Device with items such as newspapers, tablecloths, or curtains, and do not use this Device on soft support such as bedding, blankets, etc. It may cause burns and other injuries if the battery leaks or overheats during the night.
- Do not use your Device near sinks or other wet locations.
- Do not expose this Device to rain or moisture.
- Do not expose your device to extreme heat or cold. This may result in a risk of battery damage, other injury, or property damage.

- Do not leave the vaping device in direct sunlight or near heat sources.
- Do not use the vaping device near flammable liquids or gases.

## INSTRUCTIONS

1. Take out the pod and the device.
2. Insert the pod into the device, and remove the silicone plug of the mouthpiece.
3. Draw to vape.
4. When the battery runs out, please use the attached TYPE-C charging cable to charge the device.

## ATTENTION:

The disposable contains nicotine. We do not recommend it to people who are under 18 years old, pregnant women or women during lactation, people allergic to one of the ingredients, or people with cardiovascular diseases, cancer, or pulmonary diseases. The smoke and nicotine may cause or worsen some diseases or symptoms, such as allergies or cardiovascular and cerebrovascular diseases. If there are related risks, please consult a doctor before use.

## STORAGE

- Store the disposable vaping device out of children's reach and sight.
- Store only in a cool and dry place.
- Keep away from direct sunlight.
- Do not use or store in an environment with extreme temperatures, as this could diminish the battery's capacity and duration and cause permanent damage.
- Keep away from fire and extremely high-temperature objects as this could result in fire, explosion, or release of harmful substances.

- Keep away from chemical products.
- Do not expose it to rain, high humidity, or other liquids that may corrode the electronic circuits.
- Do not put the vaping device with hard objects to avoid scratches.

## DISPOSAL

- Dispose of the packaging and the device shall always be in accordance with national and local laws and regulations.
- Never put the vaping device on fire. The built-in lithium-ion battery may burst or explode.
